

# PRODUCT DATA SHEET

## GRANULATE FOR THE WIPING UP OF VOMIT AND OTHER LIQUIDS

### Application areas

Powder for the quick and hygienic absorption of liquid excretions, such as vomit, blood, urine, etc. The liquids, as well as their unpleasant smells are absorbed within seconds. Freshly scented. Suitable for medical facilities, nursing homes, doctor's offices, gastronomy, public transportation, etc.

### Dosage

Use undiluted. Absorbs up to its 20 times own weight.

### Instructions for use

Scatter on the powder, let it absorb the liquids and sweep up. May be disposed of along with regular waste. Wet wipe the surface and disinfect, if necessary.

### Special advice

The manufacturer declines all responsibility for damages from improper product use.

### Technical data

Storage stability	at least 2 years
Storage	Keep container tightly closed
Ingredients	Polymers, carrier materials, builders, odour absorbers, fragrances
