

GASTRO FEE

Sales units

Bottle with sprayer head à 500 ml (carton 6x500 ml)

Canister à 10 liter

Art.-No.

36300

36301

Product properties

- Absolute user-friendliness
- Completely autonomous maintenance cleaning because it is ready for use
- Awarded the EU Ecolabel
- HACCP certificate available
- Reduced set-up and travel times
- Material is compatible on all water- and alkali-resistant surfaces

Application area

Ready-to-use degreaser for use in all food processing companies and on all alkali-resistant surfaces such as stainless steel, glass, tiles and porcelain.

Usage instructions

Spray the concentrated product on a clean, absorbent, dry cloth and work on the surface to be cleaned.

Usage notes

- Afterwards, rinse well with clean water.
- After the exposure time, rinse surfaces and tools that come into contact with food thoroughly with clean drinking water.
- The functionality of the spray head is guaranteed up to 5,000 strokes if used properly (1 stroke = max. 2.5 ml).
- Do not inhale the spray.

Handling instructions

- Test material compatibility on an inconspicuous area before use
- Storage: only in the original container
- Storage: cool, dry and well ventilated
- Storage: 5°C to 40°C.
