No significant hazard to human health or the environment is expected. The soaps comply with EU regulations of animal testing. The products are in conformity with the REACH regulations EC/1907/2006 and its amendments. According to the articles 13 and 16 of Regulation (EC) No. 1223/2009 of the European Parliament and the Council on Cosmetic products, the product has been notified with CPNP. CPNP Registration No. 3609595 UKCP Registration No. 91145299 Biodegradability test was performed (OECD 301 B): whole formula should be considered readily biodegradable. The natural origin content is 99% *Refer to the overall formula composition (based upon ISO16128)
Certification	ISO 22716 (Good Manufacturing Practice) ISO 9001 & 13485 (Quality Management System) ISO 14001 (Environmental Management System) EU Ecolabel licence SE/030/002
Safety Data Sheet	Available on Tork website
Product Testing	48 hrs single patch test results have been validated by an external dermatologist to show the product to be "non-irritant" (Human 48h semi-occlusive Patch test under dermatological control) CDV (Critical Dilution Volume) related to Toxicity to aquatic organisms Third part lab test according to OECD301B, proven Readily Biodegradable Formula obtained ISO16128 Natural Origin content. Ingredients with claims are ISO16128 certified. Use test for water consumption measurement

Headline

The washing ingredients are from renewable sources (derived from vegetables) and selected for their lower impact on aquatic life*.

**Based upon the EU Ecolabel, CDV (Critical Dilution Volume) related to toxicity to aquatic organisms is below specified limits and is 2 times lower than the TORK Mild foam soap formula*

99% of the ingredients are from natural origins**

***according to ISO 16128*

The formula is readily biodegradable***

****Based on third-party lab test according to OECD 301B*

Minimize energy use, this soap is proven effective in cold water****

*****Based on testing at 20°C*

35% lower water consumption *****

******Based on an internal panel test comparing with Tork Mild Foam soap*

Helps reduce water consumption by up to 35%*****

******Compared to Tork Mildly Scented Foam Soap*

High capacity, reduces waste: Helps reduce consumption by up to 50% *****

******Essity test: Using Tork Foam Soap vs Tork Liquid Soap in Elevation dispenser*
