None

RISKS FOR MAN AND THE ENVIRONMENT

Warning

H315
H319
H412

Causes skin irritation
Causes serious eye irritation
Harmful to aquatic life with long lasting effects

Spillage and fire water can cause pollution of watercourses.

PROTECTIVE MEASURES AND CODE OF PRACTICE

Wear protective gloves/protective clothing/eye protection/face protection.
Avoid breathing dust/fume/gas/mist/vapours/spray.
When using do not eat, drink or smoke. Wash hands thoroughly after
handling.
Use local and general ventilation.
Avoid release to the environment. Do not empty into drains.

CONDUCT IN THE CASE OF DANGER

IN CASE OF SPILLAGE

In case of insufficient ventilation, wear suitable respiratory equipment. Wear protective gloves/protective clothing. Take up mechanically. Dampen dust. [In case of inadequate ventilation] wear respiratory protection (Anti-dust respirator). Keep away from drains, surface and ground water.

IN CASE OF FIRE

In case of fire, use water or powder extinguisher. Wear self-contained breathing apparatus. Do not allow firefighting water to enter drains or water courses.

EMERGENCY TELEPHONE NUMBER:

emergency information (fire + spillage):

FIRST AID

IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention

IF ON CLOTHING: Rinse immediately contaminated clothing and skin with plenty of water before removing clothes

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF SWALLOWED: Call a POISON CENTER/doctor. Rinse mouth with water (only if the person is conscious). Let water be drunk in little sips (dilution effect).

IF INHALED: Remove person to fresh air and keep at rest in a position comfortable for breathing. In all cases of doubt, or when symptoms persist, seek medical advice.

APPROPRIATE WASTE DISPOSAL

Do not empty into drains; dispose of this material and its container at hazardous or special waste collection point. Supply packagings to the national return, collection and recovery systems. Use appropriate container to avoid environmental contamination.
