There are no hazardous components to be listed for this product (s).

HAZARDS TO HUMAN HEALTH AND THE ENVIRONMENT

Warning

Flammable liquid and vapour. Causes serious eye irritation.

If applicable: Note pH value.

PROTECTIVE MEASURES AND RULES OF CONDUCT

Technical and organisational precautions to prevent exposure:

If applicable: Switch on available suction system. Clean soiled bottles immediately. There should be an eyewash station and safety shower located near the area of use. Avoid inhalation, and contact with eyes or skin. Wash hands before breaks and at end of work. If applicable, caution - risk of slipping. Use explosion-proof equipment / explosion-protected tools if necessary. Take measures against electrostatic charging, if appropriate. Observe special storage conditions. Do not store with flammable or self-igniting materials. Protect from direct sunlight and warming. Store cool.

Hygiene regulations:

When using do not eat, drink or smoke. Avoid inhalation, and contact with eyes or skin.

Personal protective equipment:

Tight fitting protective goggles with side protection (EN 166). If fumes build up, use suitable breathing mask. Protective gloves made of butyl (EN ISO 374). Protective nitrile gloves (EN ISO 374).

Restrictions for employees:

Observe the youth employment protection legislation.

CONDUCT IN THE CASE OF DANGER

Fire extinguishing agent: Water jet spray / alcohol resistant foam / CO2 / dry extinguisher. Do not use a full water jet.

Absorbent, binding and neutralising agents: Soak up with absorbent material (e.g. universal binding agent, sand, diatomaceous earth, sawdust) and dispose of according to Section 13. Additional technical precautions and personal protective equipment: Remove possible causes of ignition - do not smoke. Avoid inhalation, and contact with eyes or skin. Take explosion-prevention measures if applicable. Cool container at risk with water. Necessary measures to

**EMERGENCY
SERVICE:**

combat environmental risk: Prevent from entering drainage system. Prevent surface and ground-water infiltration, as well as ground penetration.

FIRST AID

Eye contact: Remove contact lenses. Wash thoroughly for several minutes using copious water. Seek medical help if necessary. Skin contact: Remove polluted, soaked clothing immediately, wash thoroughly with plenty of water and soap, in case of irritation of the skin (flare), consult a doctor. Inhalation: Remove person from danger area. Supply person with fresh air and consult doctor according to symptoms. Swallowing: Rinse the mouth thoroughly with water. Do not induce vomiting - give copious water to drink. Consult doctor immediately.

**EMERGENCY
SERVICE:**

First responders:

First-aid posts:

PROPER DISPOSAL

Thoroughly pick up with cloths and universal binding agent and clean the floor. Soaked polluted cloths, paper or other organic materials represent a fire hazard and should be controlled, collected and disposed of.
