

SC SENSITIV

Graffiti remover for sensitive surfaces

Area of application

For the gentle removal of graffiti caused by spray paint, ink and felt-tip pens on all sensitive and solvent-resistant surfaces, varnished and plastic surfaces such as plexiglass. Also ideal for removing adhesive and label residues.

Application

Spray SC SENSITIV evenly onto a cloth and apply to the area to be cleaned. Monitor the dissolving process and wipe away the graffiti residue with a non-abrasive cloth. Repeat the process if necessary. **When using SC SENSITIV on plexiglass, do NOT wipe off using water.** Remove using a non-abrasive cloth or paper. After applying SC SENSITIV, the surface does not need to be wiped off using water or neutralised. The product will evaporate completely.

Product characteristics

- Free from CKW, NMP, NEP, orange terpene
- Highly effective on colour stains, graffiti and sticker residue on sensitive surfaces
- Mild and gentle on surfaces
- Low odor
- No special labelling required (according to GHS)
- SC SENSITIV is ready to use and evaporates completely
- Listed and approved according to DB standard RIL 910

Note

Test on an inconspicuous area before first use. Caution: Microfibres can cause scratches.

Technical information

Carton of 6 x 500 ml bottles
5 l canister
