

Forinet

eco

Ecological interior cleaner

Area of application

Highly effective neutral cleaner for all coated and uncoated waterproof floor coverings as well as washable smooth and textured surfaces throughout the interior, including glass, plastic, lacquer and synthetic leather.

Application

Manual maintenance cleaning: 0.25% – 0.5% (2.5 ml – 5.0 ml FORINET ECO per 1 litre of water)

Spray cleaning: 0.25% – 0.5%

Automatic machine cleaning: 0.5%

For severe contamination in all cleaning procedures: 0.5% – 1.0%

Prepare the cleaning solution with cold, clean water.

The correct dosage reduces costs and protects the environment.

Product characteristics

- Highly effective universal cleaner for heavily frequented areas
- Neutral, material-friendly formulation – universally usable
- Strong cleaning performance thanks to advanced and environmentally friendly ingredients
- Good dirt-carrying capacity - prevents re-deposition of already dissolved dirt
- No streaks or residue during use
- Low-foaming – suitable for all common cleaning methods
- Label-free and user-safe
- Free from VOC solvents
- Awarded the EU Ecolabel
- Proven reduction in CO₂ emissions by using FORINET ECO in recycled containers

Sales unit

Carton of 12 x 1 l bottles
10 l canister
200 kg barrel
1,000 kg container
