

# Safety data sheet according to (EG) Nr. 1907/2006

Revision date:	05.11.2018	Version / Code:	251018	2040
Product:	Sno-N-Ice			

## 1. Identification of the substance/preparation and of the company/undertaking

<b>Product information:</b>	Commercial product name: <b>Sno-N-Ice</b>	REACH-Reg. Nr	EINECS/EC	CAS-Nr
	Identification: Mixture	--	--	--
	Use identifiées: Thawing salt			

**Company / Supplier:** Hauer HBG Dünger AG, CH-3257 Grossaffoltern. Tel.: ++041(0) 32 389 10 10  
Information: Tel.: ++ 41 32 389 10 10 E-mail: info@hauer.com  
Emergency telephone: Centre Suisse d' Information Toxicologique Tel.: ++41 44 251 66 66 ou ++41 145

**Trade / undertaking:** Steinmann Zürich AG, Neunbrunnenstrasse 40, Postfach, 8052 Zürich  
Information: Tel.: 044 307 18 18 e-mail: info@Sno-n-ice.ch  
Centre Suisse d' Information Toxicologique Tel.: ++41 44 251 66 66 ou ++41 145

## 2. Hazards identification

Classification: Classification (REGULATION (EC) No 1272/2008)  
Not a hazardous substance or mixture according to Regulation (EC) No. 1272/2008 (CLP)

Label elements: Labelling (REGULATION (EC) No 1272/2008)

GHS-Pictogrammes: This product is not classified as dangerous

GHS-Symboles: This product is not classified as dangerous

Signal word: This product is not classified as dangerous

Component determinate hazard: none

Hazard statements: none

Precautionary statements: none

Other hazards: Harmful if swallowed.  
After prolonged contact, slight skin irritation possible.  
May cause long-term adverse effects in the aquatic environment

## Safety data sheet according to (EG) Nr. 1907/2006

Revision date:	05.11.2018	Version / Code:	251018	2040
Product:	Sno-N-Ice			

### 3. Composition/Information on Ingredients

Substance:	Mixture				
Mixture:	Mixture of not flammable inorganic salts.				
	Contains no substances classified in significant quantities, according to EU Directives and CLP, the MSDS is not legally required for this product.				
Components:		CAS-Nr	EINECS/EC	REACH-Reg. Nr	%
	not applicabel				

\*) Wording of the identification codes for classified materials, see Section 16

### 4. First aid measures

#### 4.1 First aid measures

General informations	After inhalation: Supply fresh air, consult a doctor in case of symptoms. IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.
After inhalation	After inhalation: Supply fresh air, consult a doctor in case of symptoms. In all cases of doubt or if symptoms persist get medical treatment.
After skin contact	wash wit water and soap and rine thoroughly. If irritation persists, consult a doctor.
After eye contact	IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists, consult a doctor.
After oral intake	IF SWALLOWED: Rinse out mouth and then deink plenty of water. may cause nausea, vomiting, diarrhoea. IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. After inhalation of decomposition products: Risk of pulmonary edema. Symptoms may be delayed. Risk of Methhämoglobinämie.
Indication of any immediate medical treatment/attention	After inhalation of decomposition products: Risk of pulmonary edema. Symptoms may be delayed. Risk of Methhämoglobinämie. Symptomatic treatment.

## Safety data sheet according to (EG) Nr. 1907/2006

Revision date:	05.11.2018	Version / Code:	251018	2040
Product:	Sno-N-Ice			

### 5. Fire-fighting measures

Extinguishing media	No special requirement.
Combustion products/gases	No
Advice for firefighters	Self-contained breathing apparatus (EN 133). Wear full protective suit.
Additional information	For more information: Contaminated water may not enter in sewers or drains.

### 6. Accidental release measures

Personal precautions	Avoid raising dust. In case of dust wear safety goggles and dust mask. General protective measures: They are dealing with industrial hygiene and safety measures to be observed.
Environmental precaution	may not enter in sewers or drains.
Methods of cleaning-up	Collect mechanically. Dispose of contaminated material as waste according to item 13.

### 7. Handling and storage

Precaution for safe handling	No special precautions necessary if used correctly. Store in original packaging, risk to confusion! Not take up the product and keep away from children and animals. Respect the set-in-edge of the label. Store apart from sources of ignition and heat.
------------------------------	---

Conditions for safe storage	Keep in a dry place, Do not store together with alkalis. Keep out of direct sunlight and heat. Avoid contact with elements corroded.
-----------------------------	--

Specific end use:	Thawing salt
-------------------	--------------

### 8. Exposure controls/personal protection

Control parameters	Dust (OEL): specific substance:	Total Dust not available	MAK: 10 mg/m <sup>3</sup>
--------------------	------------------------------------	-----------------------------	---------------------------

Exposure controls	The product should be handled with the care usual when dealing with chemicals. To be noted, national rules for the application of fertilizers. Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday.
-------------------	--

Exposure limit values	not relevant
Recommended monitoring procedures	not relevant

Individual protection measures	Respiratory protection: In case of dust formation: protection with particle filter: type P95 (US) or type P1 (EU EN 143)
--------------------------------	---

## Safety data sheet according to (EG) Nr. 1907/2006

Revision date:	05.11.2018	Version / Code:	251018	2040
Product:	<b>Sno-N-Ice</b>			

### Hand protection:

In case of long term hands contact: use protective gloves 100% Nitril ( EN 374, f.ex. Dermanetril 740 from KCL GmbH, D-36124 Eichenzell.)

### Eye protection:

In case of dust formation: Use of safety glasses with side shields is recommended.

### Environmental exposure controls

The product should be handled with the care usual when dealing with chemicals. To be noted, national rules for the application of fertilizers.

No speciality recommend

## 9. Physikal and chemical properties

### General information

Forme: Granules

Coulour: pink

Odor: not relevant

### Important health, safety and environmental information

solubility in water: water-soluble

pH: Nicht relevant

Apparent density: 800 - 1200 g/l

Relative density: not relevant

Flammability: Decomposes on heating from 260 ° C approx.

Oxidizing properties: The product itself does not burn.

Explosive properties: Not explosive

Melting point: not applicable

Vapor pressure: not applicable

## 10. Stability and reactivity

### Reactivity:

Hazardous decomposition products: None

### Stability:

Stabel under conditions normality (show Pt. 7)

### Possibility of hazardous

### reactions:

Decompositions are not observed during the expiration periode under recommended conditions. In the event of fire: See pt. 5

### Conditions to avoid:

elevated temperatures, high humidity.

Bring together not with concentrated acids or alkalis.

### Hazardous decomposition products:

Hazardous decomposition products: None

## 11. Toxicological information

### acute toxicity

Acute oral toxicity: LD50/oral/rat : > 2000 mg/kg

### skin corrosion/irritation

After longer exposure may cause slight irritation of skin.

### serious eye damage/irritation

Based on the available data and experience no classification is given (conventional method)

### respiratory or skin sensitisation

Based on the available data and experience no classification is given (conventional method)

### germ cell mutagenicity

no data available

### carcinogenicity

no data available

### reproductive toxicity

Not tested. No relevant data available.

### STOT-single exposure

no data available

### STOT-repeated exposure

no data available

### aspiration hazard

no data available

## 12. Ecological information

### Ecotoxicity (for pure chemicals):

## Safety data sheet according to (EG) Nr. 1907/2006

Revision date:	05.11.2018	Version / Code:	251018	2040
Product:	Sno-N-Ice			

Persistence and degradability: not applicable  
Bioaccumulative potential: not applicable  
Mobility in soil: Water-soluble components or breakdown products may be washed into groundwater.  
PBT and vPvB assessment: no data available

Other adverse effects: no data available

### 13. Disposal considerations

Product intended for use out. Waste material must be disposed of in compliance with the respective national regulations. Under "www.retrilogistik.com" you will find country- and substance-specific information as well as contact partners. CH: SR 814.600 und SR 814.610  
Packing: SR 814.600 und SR 814.610  
Product: Packing: Can be removed also with urban waste.  
See www.retrilogistik.com for processes regarding the return of chemicals and containers, or contact us there if you have further questions.

### 14. Transport Information

UN-Nummer: -----

#### Road transport (ADR/RID):

Proper shipping name: Mixture  
Classification: Not classified as dangerous in the meaning of transport regulation ADR/SDR

#### Maritime transport (IMPG)

Proper shipping name: Mixture  
Classification: Not subject to transport regulations.

#### Air transport (IATA-DGR):

Proper shipping name: Mixture  
Classification: Not subject to transport regulations.

### Special precaution for user

See sections 6-8

### 15. Regulatory information

#### National Directives

Switzerland: ChemRRV Anhang 2.6 ; ChemV und Störfallverordnung (Pt.7)  
Water hazardous classe: CEA: PN3 / CIA / WGK (D/CH): 1 (slightly hazardous to water)  
Classe of stockage (VCI).

#### EC:

Classification et désignation des substances, préparations et produits (TRGS 200)  
Désignation de déchets lors de l' utilisation (TRGS 201)  
Déterminer et évaluer les risques représentés par les substances dangereuses sur le lieu de travail (TRGS 400).  
just more than one minor hazard was detected.  
Mesures de protection (TRGS 500)  
matériaux combustibles stocker dans l'emballage et conteneurs mobiles (TRGS 515)  
Adjustment according to (EU) 2015/830

Water hazardous classe:

### 16. Others information

## Safety data sheet according to (EG) Nr. 1907/2006

Revision date:	05.11.2018	Version / Code:	251018	2040
Product:	<b>Sno-N-Ice</b>
